

# Program 22-921: State Revenue Sharing Fund

Program Authorization: Article VII, Section 26(a) of the 1974 State Constitution

## PROGRAM DESCRIPTION

This constitutional dedication provides that \$90,000,000 be allocated annually from the state general fund to parishes solely on the basis of the population (80%) and the number of homestead exemptions (20%) in each parish. Distribution is based in proportion to population and number of exemptions throughout the state. After deductions in each parish for retirement systems and commissions as authorized by law, any remaining funds shall be distributed by first priority to the tax recipient bodies within the parish. The funds are intended to offset current revenue losses as the result of homestead exemption.
